Pair of Small White Swedish Cabinets Nightstands, circa 1860-80

Pair, small Swedish country Gustavian white painted nightstands or side tables standing on tapered legs.

Applied floral carving accents the front along with dentil molding and diamond on panel door which opens with brass knob. Professionally applied custom white painted finish is gently distressed to fit the age and grace of this charming pair of accent tables.

Restored, strong and stable. Any old nicks, scratches, cracks, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful pair of nightstands.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
