Pair, Mid Century Camel Leather Arm Chairs, Denmark circa 1960

This pair of arm chairs show off the clean lines of mid-century craftsmanship and style.

In good used condition, the original camel leather shows typical signs of age-related wear such as scuffs, scratches, stains, impressions to leather and minor creases. This set is a great original vintage find and will make a wonderful addition to a home or office. Leather will definitely benefit from leather cleaner.

Seat height: 16"
