Vintage Brown Leather Two Seat Sofa Loveseat, France circa 1920-40

Vintage leather has an appeal all its own, especially when worn and weathered as seen in this handsome two-seat sofa. The aged patina of the brown sheep's skin leather has deepened through generations of use.

The gently rolled arms have traditional nailhead accents and loveseat rests on hardwood feet.

This vintage 2-seat sofa is sold in original used condition. Visible signs of age related wear include marks, scratches, cracks in leather, some discoloration, etc. Leather will benefit from leather conditioner which we leave to discretion of buyer. Couple of nailheads missing (see photos).

Seat Height: 17.5"
