

Antique Oval Gold Gilt Mirror, Sweden circa 1820-40

This impressive gold gilt mirror has four dramatic carved flourishes accenting the slightly oval frame.

There is expected age-related wear as seen where the gilt has been worn off, wood is nicked or cracked but wear does not impact the beauty nor functional integrity of this elegant mirror.

This large and heavy gold mirror is sold in as is, used condition. It is solid and ready to hang securely.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. Small cracks seen throughout frame.
