

## Pine Bow Front Corner Cabinet Cupboard, Sweden circa 1800-20

The lovely appeal of this bow front corner cabinet is due to the elegant Swedish styling and deep rich patina of the naturally aged pine.

The cabinet is made in two sections, both crafted with curved paneled doors and distinctive carved fluted details.

Interior reveals shelves offering ample storage.

Restored, strong and stable this 6.5' tall corner cabinet is ready to be used and enjoyed. No functioning locks; two skeleton keys will be included to use as pulls.

All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the beauty nor function of this pine corner cupboard.
