## French Gold Trumeau Mirror with Painted Fruits and Parrot, circa 1890

Lovely trumeau mirror with upper oil on canvas section painted with fruits and gourds in basket with parrot perched on edge.

At just under 6' tall, its will make a dramatic addition wherever it is hung.

All scratches, cracks, dings, nicks, and age related separation (see corners) are reflective of age and do not detract from the beauty nor function of this unique mirror. Canvas shows typical craquelure throughout. Gold gilt frame has chinks /missing pieces.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
