## Dutch Marquetry Side Table with Two Drawers on Cabriolet Legs, Holland circa 1770-1800

Elegant Dutch marquetry inlaid oak side table with two serpentine drawers resting on long inlaid cabriolet legs. Please enlarge photos to appreciate the richness of the veneer woods with detailed inlay of flowers, birds and more. Restored, stable and drawer functions. Some veneer missing; note areas of discoloration (especially on top). Old cracks along sides. All scratches, cracks, nicks, and age related separation are reflective of age and do not detract from the function of this very special accent table from the late 1700's. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
